COUNTRY CLUB

# DRESS CODE POLICIES

*The goal of Blythefield Country Club's dress code is not to impose sartorial judgment upon its members, but rather to instill a sense of professionalism and respectability in its members, and to maintain the positive reputation of the Club.*

Club attire should be in good taste and reflect the "elegantly comfortable, tastefully casual" character of the Club. Members are responsible for the attire of their guests and their children, regardless of age.

The Blythefield Country Club staff and Board of Directors reserve the right to respectfully and discreetly enforce these dress code rules.

## *Clubhouse, J. Brewer's Dining Room, & Patio*

Appropriate casual attire must be worn inside the Clubhouse, in the dining rooms, and on the outdoor patio. Denim without fraying or holes is permitted inside the clubhouse **with the exception of the Clock Room**. Gentlemen shall remove their hats while seated indoors. Bathing suits and workout attire are not permitted in the Clubhouse, dining rooms, or on the outdoor patio. Workout attire may only be worn in the Fitness Center.

## *Club Events & Holiday Brunches*

Proper dress is required for all adults, children, and guests in attendance at Club social events and holiday brunches. The Club encourages its members to "dress to impress" and embrace the theme of the event (Kentucky Derby, Candlelight Dinner, et cetera). No jeans, crop tops, flip flops, sweatshirts/sweatpants, t-shirts, or other athletic clothing are allowed at social events, *with the exception of proper golf attire.*

## *Golf Attire for Ladies*

Please do not wear metal spikes.

## *Golf Attire for Gentlemen*

Gentlemen should wear collared shirts tucked into pants or shorts. Pants and shorts **should not be** cargo-style with exterior or protruding pockets.
